VIRTUAL MEETING PUBLIC COMMENT PROCEDURES
Public participation is vital to the mission of the Historic Preservation Division. The public is welcome at all meetings of the Cultural Properties Review Committee and encouraged to participate.

As with our traditional meetings, there will be opportunities for public comment on each action item.

HOW TO MAKE A PUBLIC COMMENT AT A VIRTUAL MEETING
There are several ways you can comment at the virtual meeting:

- **Make a live comment during the virtual meeting** – You’ll need to be logged in to the meeting through the Zoom video conference service or a phone line, noted above. During the public comment period, please use the “Raise Hand” feature and wait to be recognized by clicking on the icon “Participants” at the bottom of your screen. On the window that opens to the right, click the button labeled “Raise Hand”. When the chairperson calls your name, the host will unmute your microphone. A button will pop up that says, “The Host wants to unmute you.” Accept the unmute prompt to activate your microphone. You will be asked to provide your name. Persons joining the meeting via phone can use the virtual “Raise Hand” feature by pressing *9 on their keypad.

- **Submit written comments by noon the day prior to the meeting** - Written comments received by this deadline will be read or summarized at the meeting. Comments should be sent to NM.SHPO@state.nm.us or to Historic Preservation Division, 407 Galisteo Street, Santa Fe, NM, 87501, and must include: your name, contact information (email or phone), and the meeting name.

- **Leave a phone message by noon the day prior to the meeting** – Comments received by voicemail at 505-827-6320 will be read or summarized in the official record after the meeting. Your message must include: your name, contact information (email or phone), and the meeting name.
ARE YOU NEW TO ZOOM?
If you are new to Zoom, we recommend familiarizing yourself with the software in advance of the meeting start time. If possible, practice with other Zoom users to gain experience in using the videoconferencing program beforehand. Some recommendations to consider:

- **Arrive early.** Join the meeting at least ten minutes before the start time.
- **Mute.** Be familiar with the location of the ‘mute’ button. The location of ‘mute’ depends on the type of device/computer in use. If on the telephone dial *6 to mute/unmute.
- **Minimize distractions.** Silence the phone and all notifications that could interrupt the meeting. While attending the meeting, we recommend attendees’ full attention and lessening the impulse to click on other links.
- **Update your software.** Make sure Zoom software has been updated.
- **Internet connection.** The internet connection has the most significant impact on video/audio quality. It is best to use a wired internet connection.
- **Use a headset.** To hear and be heard the best – consider using a headset or headphones with a microphone. If you don’t have one, don’t worry! A quiet room for the duration of the meeting can bring similar results.
