

**CULTURAL PROPERTIES RESTORATION FUND GRANT PROGRAM
PHOTOGRAPHS FORM – FORM 08 of 12**

PROJECT NAME:

APPLICANT:

PHOTOGRAPHS

Photographs of the cultural property are required. The following photographs must be included:

1. The cultural property and its setting (For example, if the property is in an urban area, provide photos of the property with neighboring buildings or street scape.)
2. For buildings:
 - a. Each elevation
 - b. Exterior and interior architectural features and details, particularly those to be affected by the grant project
 - c. Interior public spaces
3. For other cultural properties:
 - a. Various angles of the cultural property
 - b. Significant features, characteristics, or details, particularly those to be affected by the grant project
4. A floor or site plan keyed to all photos
5. Historic photographs, if available and relevant

Attach the photographs to this form in a single PDF. The keyed floor/site plan should appear first, followed by the other photos in sequential order as numbered on the floor/site plan. Each photo should be numbered as they correspond to the keyed plan and briefly captioned (e.g., “East elevation of [cultural property]” and “Double-hung windows at west elevation”).

By checking this box, the applicant confirms that they have included all required photos as instructed above.
