

Historical/Architectural Research Consultants List

The following is a list of individuals and firms who employ individuals who are listed on the SHPO Directory of Qualified Supervisory Personnel under architectural history, historic architecture, or history. These individuals or firms perform historical and architectural research in New Mexico for the purposes of consultation under state and federal law, subject surveys, historical contexts and nominations for the State and National Register. The Historic Preservation Division does not guarantee or recommend the work of anyone on this list, but any work on state land (including state agency land, city or county land, schools, etc.) must be performed by or reviewed by an individual on this list in accordance with 4.10.15 NMAC.
